

Sample Announcement for Use at Mass or Other Gatherings
for Distribution of the Book,
Sexual Wisdom for Catholic Adolescents

We are pleased to announce a most unusual offer to the parishioners of _____ . Catholicism has been in a crisis of sexuality education for decades. Very few Catholic teenagers and young adults know and love the unsurpassable teaching of the Church on sexuality and many of them fall into serious sexual sin.

To address this urgent need, Dr. Richard Wetzel has published the course he gives to his own 16 to 17 year-old Catholic teens: *Sexual Wisdom for Catholic Adolescents*. The book has been warmly endorsed by many Catholic leaders including Cardinal William Keeler, Archbishop Emeritus of Baltimore, who gives it his highest commendation.

This parish has enthusiastically accepted the publisher's offer to provide this book, for \$2 each (a \$12.95 value), to any parish that will distribute the book to adults and parents of older teenagers. Please understand that it was difficult to judge how many books to order. If we run out, we will order more. Anyone entitled to a book will get one. Those who qualify are:

- 1) The parent of a 16-20 year-old student to read with the student or provide to the student to read on his or her own, or the parent of any student under 16 who feels that it would be appropriate for the student to read a comprehensive, intimate discussion of the Catholic Church teachings on human sexuality within the next year.
- 2) This offer is also open to any adult who wishes to read the book or who wishes to give a copy of the book to someone 18 years or older.

The books are located outside the church at _____.

For those interested, the entire book is a free download from the website:
